

## **Our Community Foundation (GiveNow) Copyright & Disclaimer**

### **1. Circulating Our Community content:**

You may circulate Our Community Foundation print content as long as you do not reproduce that content.

You may create and circulate hyperlinks to Our Community Foundation online content located on the [www.givenow.com.au](http://www.givenow.com.au) or [www.ourcommunity.com.au](http://www.ourcommunity.com.au) websites.

### **2. Reproducing Our Community content**

You may reproduce any Our Community Foundation listings or directories for any non-commercial purposes without permission.

You may reproduce any other Our Community Foundation content provided that:

1. The use is for non-commercial purposes only; and
2. Any reproduction contains a credit line "Courtesy of [WEBSITE] originally published on [PUBLICATION DATE]. Our Community Foundation does not warrant the currency of that information after the original publication date", with the website being [www.givenow.com.au](http://www.givenow.com.au) or [www.ourcommunity.com.au](http://www.ourcommunity.com.au) as the case may be, and in the case of an electronic reproduction of that article an active hyperlink to that website.

Any reproduction of Our Community Foundation content for commercial purposes, including without limitation:

1. By advisers or consultants for a fee;
2. In a publication that will be sold;
3. On a website that makes its content available only in return for payment,

requires the prior written consent of Our Community Foundation. Consent may be requested by emailing us at [service@givenow.com.au](mailto:service@givenow.com.au) and detailing the material that you wish to reproduce and how you intend to reproduce it.

We recommend that you link to rather than reproduce our online materials to ensure the currency of the information. We update our content regularly to take account of legislative changes and to refine and improve content. If you copy the

information, you take a snapshot of information available at that time; if you link to it, you will ensure you always have access to the latest version.
